FABRIC & WARRANTY INFORMATION

NYTRIL POLYVINYL

Economical. Universal sizing, 3-ply polyvinyl material resists rips from U-cut modifications. Ideal for under "messy" trees. One year warranty. Black inside. Silver outside reflects heat.

TOP GUN®

10 oz. marine polyester that is coated by acrylic impregnation, then coated with Zepel® for waterproofing and stain resistance. Strong, abrasion resistant, breathable, and water repellent with long-lasting color. Three year materials warranty; workmanship one year. Blue.

ODYSSEY III™

This acrylic-coated polyester marine fabric repels water, the sun's harmful UV rays and mildew which can deteriorate other fabrics. It is used on Murrays bags and covers as noted.

RUDDER COVERS

A durable Odyssey III, 1/4" foam and nylon laminate cushions and protects rudders while trailering on or off the boat. 1" straps with plastic buckles hold covers in place. Red ends increase visibility when trailering. Pair.

- 31-3101 H-14/16/17/18, Nacra (28"x11") \$69.00
- 31-3102 H-20/21, P-19, Fox, Tiger (36"x12") \$85.00
- 31-3103 Nacra F18/20 (39"x9-1/2") \$78.00

DAGGERBOARD COVERS

Rugged, padded cover with double pocket and handles with velcro closure at the end. UV-resistant, blue Odyssey III fabric is laminated with 1/4" foam and lined with nylon to cushion the daggerboards. One cover holds both daggerboards. Measurements are inside dimensions.

- 31-3005 Inter 17/18/20 (64"x8") \$75.00
- 31-3007 H-20/Nacra (63"x13") \$115.00

Hobie Cat® daggerboard covers also available (not as described above):

- 31-3003 H-18 \$99.00
- 50-72410001 Tiger/Fox/FX-One \$65.00

COMP TIP COVERS

Hobie Cat® recommends that CompTips be covered to protect them from ultraviolet light. Top quality Odyssey III material is treated for UV-resistance and provides much better and long-lasting protection than nylon covers. Red-tip reinforced end.

- 31-2441 For H-16/18/20 \$59.00
