DA KINE TWIST CONTROL SYSTEM

Helps to lock down foot-strap tabs and reduce twist. Works with all Da Kine footstraps and most others.

32-1310 \$6.00

STRAP CONTROL

Still the industry standard, Shred Tech Strap Control washers eliminate twisting by spreading the clamping load across the width of the footstrap. Injection molded using an unbreakable nylon material. Each.

42-0201 \$1.25

3-POST INSERT

This is the most commonly used adjustable insert. It has a good range of 0, 1" or 2". Lightweight. Features 10-32 brass inserts, stainless 10-32 x 3/4" screw and #10 x 3/4" OD washer. Each.

01-9527 \$4.80

FOOTSTRAP INSERTS

The best choice for custom fiberglass or epoxy-skinned boards. Kit includes two inserts, stainless self-tapping screws and flat washers.
