KITE PUMP PRESSURE GAUGE

Don't over-inflate! Accurately measure kite bladder pressure with this pressure gauge. Compatible with most standard kite pumps.

54-6296 \$15.00

CYLINDRICAL SAND BAG

Don't let your kite blow away! This heavy duty, cylindrical sand/rock bag holds your kite's folded wing tip and easily rolls off for self launch. Fill the bag with sand or pea gravel and conveniently empty it for traveling.

54-9003 \$12.00 CLOSEOUT

HQ GROUND STAKE

HQ's ground stake will hold chicken loop to enable unassisted kite launching. Metal rod has an orange handle that is easy to spot. Handy black sheath is included.

54-3501 \$7.99

C-D. KITE PUMPS

These two-way pumps inflate much faster than smaller pumps. Both have metal shafts for durability and include a pressure gauge to inflate your kite to the correct pressure.

C. 54-6299 Double-Action Pump 1.4L \$35.00

D. 54-6300 Double-Action Pump 2.0L with Gauge \$39.95
