HANDLES & HEELSTRAPS

DA KINE KITE BOARD HANDLE

Da Kine's ultra-lightweight yet unbreakable kite handle has a rigid profile for maximum control. Weighs only 1.3 oz. with a hole spacing range of 5-1/2 to 7 inches.

32-1266 $10.00

SLINGSHOT GRAB HANDLE

Slingshot's aluminum grab handle features a high knuckle clearance, EVA foam padding and stainless hardware. 6" to 6.75" hole spacing.

54-6406 $14.95

NSI GRAB HANDLE

The NSI grab handle comes with side wings to accommodate a 5.5" to 8.75" insert spacing. Just match to your board, mark, drill and cut off excess. Padded with 1/4" ground foam for comfort and grip. Made of durable plastic, this handle won't bend or tweak like handles that come with boards. Each.

54-9022 $18.95

DA KINE RAPTOR HEELSTRAP

The Raptor heelstrap features a padded cover for maximum comfort and superior strength elastic and webbing construction for durability. The lightweight design has multiple size adjustments and its unique shape stays out of the way when not in use. Pair.

32-1333 $20.00

LIQUID FORCE HEELSTRAPS

Liquid Force's heel straps give the ultimate lock-down. An aggressive grip prevents them from coming off when doing power moves and the straps can be adjusted for the amount of hold that you want. Tuck them away when you don't want to use them. Pair.

54-9502 $12.95

LEASHES & IMPACT VESTS

HEAVY DUTY REEL LEASH

Want to keep your leash out of the way? The Reel Leash stores your leash neatly spooled in a plastic housing which attaches to your harness. The housing has been reinforced with a stainless steel eye bolt to resist strong angular pulls. The leash strap is replaceable. The Reel Leash comes equipped with a clip and board attachment strap. The optional belt is similar to a diving weight belt and is comfortable and strong enough to withstand powerful pulls, yet is quickly releasable.

54-9011 Reel Leash $69.95
54-9014 Optional Belt Only Size Medium 28"-32" $11.95 CLOSEOUT
54-9013 Strap Replacement $8.95
54-9012 Board Connection Assembly $10.95

PKS EJECTOR SIDE-RELEASE LEASH

The PKS Ejector leash is fully releasable under load and has removable EZ clips on each end. Durable high-strength webbing eliminates material breakdown found in neoprene leashes. Almost identical to Slingshot leashes at half the price.

54-4407 $35.95

CABRINHA BYPASS LEASH

Cabrinha's leash has a back-up release for ease of use and safety. Extends from 3 to 4.5 feet and features a spreader bar attachment loop, stainless steal security clip, and a unique and easy pull-away quick release. Compatible with almost all kites.

54-2219 $40.00

NSI PROKITE LEASHES

NSI's bungee-style kite leash features a new, more comfortable, heavy duty, wider 1" bungee. It also has a thicker, stronger bungee interior design that keeps the bungee from extending beyond its maximum length and stretching out prematurely, a common problem with most other leashes. Available in 3 lengths with looped ends to accept a clip, stainless steel ring or shackle. All parts are sold separately so you can create your own configuration. See page 73 for hardware selection.

54-9067 3' $11.95
54-9068 4' $15.95
54-9069 5' $19.95

FINS

LITEWAVE FINS

Litewave fins have a thin profile for very low drag coefficient. The ramp profile lets the fin grip, yet feel loose when you push the tail. Three-hole pattern works with any board. Set includes four 2" fins and 8 screws.

54-9643 $59.00

CRIMINAL FINS

Four G10 2" fins feature a two-hole pattern 1.5" apart. Hardware included.

54-4420 $56.00

Although impact vests provide protection for impacts and some added flotation when learning, they are not USCG-approved life vests.

DA KINE MATRIX VEST

With a lightweight, low-profile design for maximum freedom of movement, the Matrix Vest features dual density armor panels, a Power Belt system for support and closure security, and a zippered front for easy on/off. Waist and seat harness compatible. Spreader bar and pad are sold separately.
