

KITE EQUIPMENT BAGS

NSI DECEIVER BAG

The Deceiver is a functional, well designed and well-disguised kiteboarding travel bag. Designed from an actual golf travel bag with a few inches added and extra padding, the Deceiver accommodates boards up to 147cm (59") in length, three kites, wetsuits, harness and other accessories. Check out the prominently displayed logo...NSI PRO GOLF. Now you can usually just slide that gear right through at check in! Dimensions: base end is 13-1/2" X 15"; top end is 11-1/2" x 14"; length is 59". Bag can accommodate a 20" wide board, 147cm length.
